

SPANISH & HIKING

SPANISH CLASSES (2 HRS./DAY) + 2 TREKS + ACCOMMODATION (ONE OR TWO WEEKS - 7 OR 14 NIGHTS) 2018

One week includes two hikes; two weeks includes three hikes to choose from.

The Spanish classes in this program take place in the afternoon so you can enjoy the day. Some treks require endurance and are not recommended for those who experience vertigo.

You will be taken along beautiful lava paths, through palm groves, along cliffs, to neighbouring islands... You will love these excursions and will never forget them, especially if you like hiking. Lanzarote, though small, will surprise you with everything that it has to offer. It is very important in all treks to bring good walking shoes, sun cream (do not forget this, please!), water and a windbreaker.

You can choose the two most appealing hikes from the following:

TREK 1: **The north. La Corona Volcano and Famara Cliff** Splendid and continually changing landscapes throughout the walk: two coasts, the crater and lavas of La Corona volcano and the island of La Graciosa from the crest of Famara Cliff. Typical farming on volcanic ash and a large variety of endemic plants and flowers can be seen as well as seabirds. 09:30 to 14:00

TREK 2: **Fire mountains.** 09:00 to 13:00. Unique and surprising walk through the limits of the National Park of Timanfaya, among volcanoes, through lava fields and ash surfaces produced by recent but now extinct craters. You will see red-coloured mountains, volcanic furnaces, landscapes that look like the moon, lichens and colonizing plants growing under extreme conditions.

Quite a sight to see! A must!

TREK 3: **The vineyards and surroundings.** 09:00 to 14:00. This hike is done on the central crest where you will be in the south and centre of Lanzarote. We make our descent towards the vineyards of La Geria - a fabulous scenery of vineyards on fields of volcanic ash - to visit the vines cultivated on volcanic ash and protected from the wind with basalt rock walls.

TREK 4: **Island of La Graciosa: 09:00 to 17:00.** After a short boat trip from the port of Orzola, we start the trek in the nice little fishing village of "Caleta del Sebo". We cross sand dunes, deserted beaches and lava fields, always with an astonishing backdrop of the islands Montaña Clara and Alegranza on one side and the Famara cliff on the other side. Minimum group: 6 people. Extra charge of €40 per Person.
